

Discover Street Dance

If you are a member of the Imperial Society of Teachers of Dancing and are currently entering pupils for Theatre or Dancesport Examinations, you can also enter your pupils for Street Dance and Disco/Freestyle Examinations!

Our syllabus will:

- Promote an appreciation and enjoyment of Street Dance, with a view to developing technical and artistic qualities
- Introduce an understanding of the various styles of Street Dance, the different rhythmic expressions and characterisations
- Motivate candidates and build self-confidence by providing carefully staged goals
- Provide a structured approach for teachers to measure the progress of individual candidates

Taking exams is proven to provide loyalty and progression to your students within your business so, if you are considering starting Street Dance Classes or are already running them, why not enter them for the Imperial Society of Teachers of Dancing medal tests?

We are proud that our medals are inclusive meaning those with disabilities or learning difficulties are able to participate and we offer a variety of levels so that beginners and more experienced pupils can take part!

Would you like to find out more?

- Download the syllabus outline: <https://www.istd.org/about-us/documents/street-dance-syllabus-outline-amateur-examinations-april-2015/>
- Use the syllabus guideline to create routines that would be suitable for a medal test
- If you would like an idea of suitable figures, you can purchase our glossary and DVD: <https://shop.istd.org/shop/dvds/item-street-dance-glossary-dvd-steps-and-movements/>
- When you have prepared your pupils and rehearsed their routines, contact our examinations department for support as to how you enter your pupils onto our Quest system.
- Throughout your street dance journey, you can contact a member of our helpful team of experts by emailing DFR@istd.org

You can also consider taking the Street Dance Student Teacher or Associate examination to expand your knowledge of street dance and its rich history! The syllabus outline is available to download via the following link:
